## REVIEW OF SENIORS' CAREER

This year's seniors have closed the book on one of the most fabulous 4-year records ever compiled in Georgia High School athletics. Terry Smith and Grady Campbell have been a part of four teams that accumulated 120 victories while losing only nine games.

Each of the teams these two boys played on won a region championship except for the 1962 team which won the sub-region crown before losing in the region meet. Campbell and Smith finished their basketball careers in a blaze of glory as they won the state AA basketball championship. Their final 35-1 record was the best in Georgia this year.

Probably the most amazing accomplishment of the seniors is their home court record. In four years Terry and Grady never lost before the home fans as they extended a winning streak which now numbers 71 consecutive victories.

The following is a breakdown of the Rams' record for the past four years:
