## REVIEW OF SENIORS' CAREER

The 1966 Rams seniors have just completed the most spectacular four years in N.C.H.S. history. Wayne Hall, Bob Richardson, and Steve Smith have helped compile a record of 131 wins and only 9 defeats during the four-year period from 1962 - 1966.

The basketball scene in Georgia has been dominated the past four years by the Rams as they have won 4 sub-region championships, 3 region championships, one state championship and been state runner-up one year. In fact the lowest final rating the Rams have held in the state's "top ten" poll was fourth in 1962. Newton teams have had the most wins in Georgia in each of the past three years with consecutive seasons of 35, 34, and 33 wins.

The home court winning streak of 108 straight victories has gained the Rams national attention. This streak, which started December 11, 1959, is one of the longest winning streaks in basketball history.

Hall, Richardson and Smith have had a vital part in building the N.C.H.S. basketball tradition, and their exploits will long be remembered by basketball fans throughout the state of Georgia as well as Newton County.

The following is a breakdown of the Rams' record for the past four years:
