A REVIEW OF THE 1986 SENIORS' CAREER

The 1986 season brings to a close an exciting career for a fine group of seniors. Jeff Capes, Mark Gibbs, Ken Harrison, Ed Healy and Roy Roberts have been members of five George Walton Academy teams that have built an outstanding record during their career.

The past three years have seen the '86 seniors win a state championship and a state runner-up title. The three-year record of 73-7 was not only the best in Georgia, but was also the best three-year record in George Walton Academy history. The five-year record of 97-22 was one of the best overall senior records in school history. The 22 losses represent the fewest losses in school history over a 5-year period.

The seniors have also gained many individual honors as three of these players have been named to an all-state team in their junior or senior year. Four of the seniors have been named all-region two or more times.

The George Walton followers will long remember and have many outstanding memories of the 1986 senior class.
