Dear Friends,

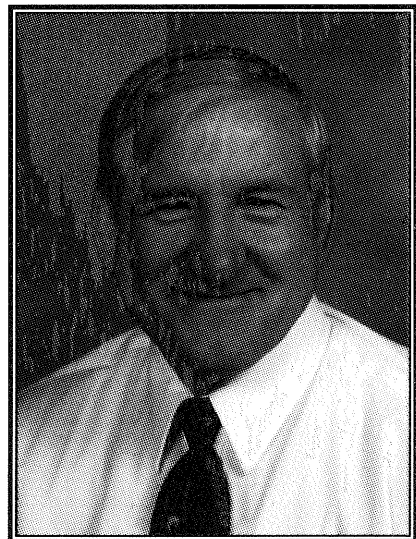

It is our pleasure to welcome you to Piedmont Academy and to have you in attendance at tonight's game. We have been working hard in preparation for this season and are glad to have the opportunity of sharing the experience with you.

We believe that athletics is the other half of education and there are many values to be learned on the fields of friendly competition. To those of you who have worked so diligently to make the the athletic program at Piedmont Academy possible, we want to express our appreciation. Without the encouragement and support from family, school and community, it would not be possible for us to have such a program in which our young people can participate.

Now, I invite you to enjoy some quality competition. Sit back and boost our youngsters as they play, cheer, and perform.

Sincerely,

Coach Ronald M. Bradley
